

SUMMARY

Computer Science undergraduate with hands-on experience in machine learning, deep learning, and data analysis. Proficient in Python, CNNs, feature engineering, and model optimization, with experience building AI solutions for real-world applications.

EDUCATION

UPES, Dehradun	2023 – 2027
B.Tech Computer Science & Engineering	CGPA: 8.52/10
OP Jindal Modern School (XII), CBSE	2021 – 2022
Percentage: 88%	
OP Jindal Modern School (X), CBSE	2019 – 2020
Percentage: 95.40%	

SKILLS

Programming: C, C++, Python, JavaScript, Java
AI/ML: Rest APIs, LLaMA Models
Data Tools: Power BI
Tools: MySQL, Git
Soft: Leadership, Problem-Solving Skills, Initiative, Critical Thinking, Creativity

EXPERIENCE

Trainee – PwC Advisory Launchpad	March 2026 – Present
- Apply consulting frameworks, market research, and data analysis techniques to evaluate business challenges and support solution-driven recommendations. - Strengthen analytical thinking, stakeholder communication, and problem-solving skills through case-based assignments and advisory-focused training modules.	
Web Development Intern	June 2025 – July 2025
TechQuint Services and Consulting Private Limited	
- Engineered backend services using Node.js and Express.js. - Contributed to full development lifecycle. - Enhanced application scalability and reliability through modular backend architecture.	

PROJECTS

Sahaya AI – Career Counselling Platform
- Developed an AI-powered platform handling 100+ user interactions using Node.js, FastAPI, and React. - Integrated LLaMA-based models improving recommendation. - Designed 5+ REST APIs for authentication and data handling, ensuring secure and scalable architecture. - Implemented roadmap generation and chatbot features, increasing user engagement.
Music Genre & Mood Classification
- Built a CNN-based model achieving 90%+ genre accuracy and 82%+ mood classification accuracy. - Processed 1,000+ audio samples and enhanced model performance through feature engineering and hyperparameter tuning.

POSITIONS OF RESPONSIBILITY

President – UPES Hypervision	May 2025 – Present
- Led a 100+ member student organization, managing operations and strategic planning. - Organized 5+ university-level events including Smart India Hackathon and ICMLDE 4.0 with 200+ participants.	
Design Head – UPES Hypervision	May 2024 – May 2025
Managed design execution for 10+ events, ensuring consistent branding and visual identity.	

TECHNICAL CERTIFICATIONS

- Postman API Fundamentals Student Expert
- Fundamentals of Digital Marketing – Google
